Our work to support success focuses on creating spaces for students to engage in their coursework and approach to learning through many group and individual program options.

We support student success by providing success coaching, subject-specific tutoring, effective communication strategies, accommodations for students with disabilities, and language support for multilingual learners. We also engage with faculty and with staff to improve the coordination and professional development for academic advisors.

Programs

The Student Academic Success Center offers a wide variety of opportunities for students to deepen their understanding of who they are as learner, communicator, and ultimately scholar. We support student success by providing success coaching, course-specific tutoring, supplemental instruction (SI), communication consulting and workshops, accommodations and support for students with disabilities, and language support for English language learners. Our program offerings are free and open to all students. We also engage with faculty and with staff to improve the coordination and professional development for academic advisors.

- Supplemental Instruction (SI) (<https://www.cmu.edu/student-success/programs/supp-inst.html>)
- Peer Tutoring (<https://www.cmu.edu/student-success/programs/tutoring.html>)
- Success Coaching (<https://www.cmu.edu/student-success/programs/coaching.html>)
- ITA Certification (<https://www.cmu.edu/student-success/programs/ita-certification/>)
- Language and Cross-Cultural Support (<https://www.cmu.edu/student-success/programs/language-support/>)
- Communication Support (<https://www.cmu.edu/student-success/programs/communication-support/>)
- Workshops (<https://www.cmu.edu/student-success/programs/workshops/>)
